A few shots of Evergreen Rodeo action

HEAVY RAIN WASHES OUT SECOND EVERGREEN RODEO

Despite overcast skies, the second annual Evergreen Rodeo got off to a good start on Saturday but was rained out Sunday afternoon when a heavy downpour made a quagmire of the grounds just before infield events were scheduled to get underway.

A large crowd was out for the Saturday morning panchake breakfast and then lined the streets for another successful parade. The parade again this year got the weekend started on a fiesta note.

Grounds opened after the parade and a large crowd turned out for Saturday's rodeo events that were run off successfully despite threatening skies and a chilly breeze. A midway on the grounds also enjoyed excellent patronage.

Saturday evening's grandstand events fell victim to the rain that began falling in the early evening and portions were moved indoors to the Centennial Arena. The Saturday evening dance attracted a good attendance.

A feature of the Saturday evening performance was the crowning of Miss Sandra Guze as Rodeo Queen in a very close race with Miss Holly Boles.

Grounds were in good shape for Sunday's events and chances appeared bright for the continuation of the rodeo as Sunday morning workers and cowboys began preparing for an avalanche of spectators.

The early birds were beginning to trickle through the gate when a heavy black cloud that had been building in the south west and attracting apprehensive glances, arrived overhead and unleashed a brief downpour that turned the grounds into a sloppy puddle and ended all hopes of continuing the show.

Cars and trucks were bogging down inside the grounds as gatemen began turning away scores of carloads of disappointed rodeo fans.

Cowboys who rode and took part in Saturday's events, were awarded prize money on the basis of a one-day show, while those who had yet to ride had entry fees refunded.

Tentative arrangements were made to finish the rodeo Monday but continuing rain washed out plans and cowboys who had stuck it out began leaving for home Monday. The rodeo stock also left Monday afternoon.

Many Legged Kitten Fails To Survive

Mrs. Jim Martin, who lives eight miles east of Drayton Valley, dropped into The Western Review office Monday with an unusual kitten -- actually two kittens - Siamese twins with two lower bodies sharing one head.

The twins, apparently born dead, were joined at the midsection with two sets of rear legs and two tails. One set of front legs are in the normal position under the chest, the other set on it's (or their) back.

The litter (four others normal) were born sometime Saturday evening and discovered by Mrs. Martin Sunday morning. The twins were dead at the time and one other member of the litter had deformed hind quarters and was destroyed.

Tennis Club Plans Fun Tournament

Drayton Valley Tennis Club Fun Tournament is scheduled for June 20th, with visitors from Whitecourt Tennis Club. Final entry day is June 19th. For further information see the tennis court bulletin board.

Split Millrate for County Taxpayers

Ratepayers of the County of Parkland will have to shell out a little less on their property taxes this year. This was the decision of county council at a recent budget meeting.

County Reeve Les Miller announced that the mill rate has been dropped by one mill within the Stony Plain Hospital District for a total of 66 mills. It was dropped by 2 mills within the Drayton Valley Hospital district.

Last year's mill rate was 67, a drop from 68.75 mills the year before.

Mr. Miller explained that the reason for the split mill rate in the county this year was due to different deficits incurred by the two hospitals. The Stony Plain hospital had a higher deficit, therefore the higher mill rate.

On the other hand, one of the reasons for the mill-rate drop was that the 4-mill hospital levy has been dropped. The county only has to bear the cost of deficits. The reason for the larger deficit in the Stony Plain hospital is due to a larger volume of surgery performed compared to the Drayton Valley hospital. Surgery is one of the most costly phases of hospital operation.

Some confusion could exist in the minds of ratepayers close to the dividing line between the Drayton Valley and Stony Plain Hospital Districts. The line marking the eastern boundary of the Drayton Valley District is two miles west of the Range 5 line.

The line cuts through the middle of the Hamlet of Fallis, so that ratepayers on one side will be paying 65 mills and their neighbor across the street, 66. A similar parallel will exist on farms bordering the line from north to south.

Two other factors contributed to the mill-rate drop. One is a change in the education Foundation structure which allows counties to levy their supplementary

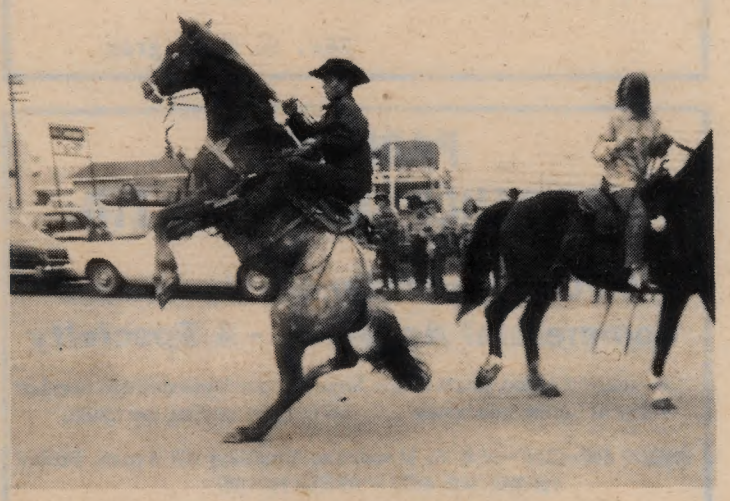
F.U.A. to Sponsor Youth at Camp

The F.U.A. Local 519 will sponsor one youth between the ages of 16 and 20 to attend the Youth Seminar at Gold Eye Lake Training Centre. Applications must be in before June 26th. Anyone interested please contact Mrs. Hoge at 542-2061.

Leading Saturday's parade is last year's Rodeo Queen Laura Leake in the open convertible with this year's Queen Candidates Holly Boles and Sandra Guze following on horseback.



Spooked by vehicles and noise, this young rider and his Appaloosa put on quite a pre-rodeo show in Saturday's parade.

D. V. Highlights

By Mrs. Edith Deby

Our sincere sympathy is with Mr. Fred Suetter and his family in their bereavement.

Mrs. Andrew Johnson's many Drayton Valley friends will be relieved to hear that she is making a splendid recovery after her operation.

Dennis Wilner and David Sleno are holidaying in Mexico.

The Dunington Ladies Group Social Evening was a success with the earnings going to the Senior Citizen' s Building Fund. Louis Mattson was the winner of the door prize.

Mr. and Mrs. W. Peters and family of Edmonton were in town on the weekend to attend the Evergreen Rodeo and to visit friends.

Mrs. Edith Dunington, of Summerland, paid a flying visit to town last week. She was disappointed not to be able to contact more of her friends, but promises she will do better on her next visit.

Ricky Sleno, son of Mr. and Mrs. Wilfred Sleno, has graduated from N.A.I.T. in Instrumentation Technology and will start work in Olds on June 15th.

Emmanuel (Sonny) St. Louis is back after two years in Iran. His company builds pipe lines. He will have a month holiday before being assigned to a new job, probably in Alaska.

Mr. Nels Johnson passed away on June 4th in his 93rd year. He is survived by his wife, Mary, three sons, Andrew of Vernon, B.C.; Robert and Oscar of Drayton Valley; one daughter, Mrs. Patrick (Annie) of Windsor; 16 grandchildren and 10 great grandchildren.

Mr. Johnson was born in Skane, Sweden in 1877. He first immigrated to the United States and later to Canada settling in the Drayton Valley district in 1916/ Mr. Johnson was one of our earliest pioneers and will be missed by his friends in the district.

The engagement of Miss Lucille Comeau and Mr. Thomas Booker has just been announced. We should like to take this opportunity to extend best wishes for a happy future to this popular young couple.

The Anglican W.A. is having a Strawberry Dessert Party on Friday from 4 to 8 p.m. in the Parish Hall. There will be a bake sale too.

BUCK CREEK NEWS

Mrs. Agnes Regenwetter is home again after spending a few days in the hospital in Drayton Valley.

Mr. Don Regenwetter is back to work again after a couple of days in hospital following a car accident.

Several neighbors and friends called at the Harry Neilson home to help Harry celebrate his 78th birthday. Those who came to wish him a happy birthday were, Mr. and Mrs. Adolf Smedstad, Mr. Lud Fremstad, Mrs. Elsie Barba, Mrs. Inga Hawreluk, Mrs. Joyce Stec, Mrs. Gladys Stec, Mrs. Marg Whittiker, Mrs. Winnie Clark, Mr. and Mrs. I. Jenson of Drayton Valley, Mr. B. Knudskov of Edmonton and Mr. Ole Knudskov of Drayton Valley.

Mrs. Maybelle Wachter is home again after spending several weeks in hospital.

Mr. and Mrs. Walter Stec, Mr. and Mrs. Leonard Regenwetter, Mr. and Mrs. Lawrence Lind, Mr. Dan Sieben, Miss Lorraine Edwards all were present at the Bus Drivers Banquet held in Calmar last Thursday evening.

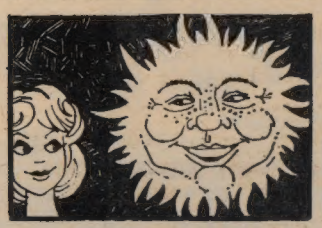
Miss Bev Gailey is a patient in the Drayton Valley hospital following an emergency appendectomy.

The Community Picnic will be held at the hall on the afternoon of June 21st at 1:30 p.m.

Harley Melin of Habay is spending a few days at his parent's home, the Stan Melins.

Mrs. Gladys Stec and her group of young cheer leaders were very well received in the Drayton Valley parade on Saturday morning. The girls looked very smart in their bright costumes.

MAIN STREET



If the son shines daily, he's probably beginning to take an interest in girls.

Plan Open House

Mr. and Mrs. George Martin will hold open house at the Lindale Hall July 4th, 1970 from 4 to 6 p.m. and 8 to 10 in the evening on the occasion of their 50th wedding anniversary.

A summer water safety suggestion. Never go canoeing unless you can swim. Canoes easily overturn. Always wear a lifejacket.

Thank You

Rev. Gordon Ingram, Joan, Norman and Bernice want to thank all their friends who have so kindly expressed their good wishes and who have contributed to the farewell gift given them last Sunday evening. We shall be eternally grateful for your friendship and fellowship in the Gospel.

requisition on pipe and power lines - which was not allowed previously.

The Foundation program this year calls for 30 mills, up two from last year.

A third factor is the high pupil-teacher ratio within the schools throughout the county. The government grant structure is based on 25 pupils per classroom. There are many rooms within the county with 30 per room, Mr. Miller explained.

Mr. Miller felt the mill rate may have been dropped another mill. But instead, the council decided to hold it at 66 and 65 and to maintain it there for 2 or 3 years. If they dropped it further now, then possibly it would have to be raised next year.

Following is a breakdown of the 1970 County of Parkland No. 31 mill rates: School Foundation Program, 30.00 mills; Supplementary School Requisition, 4.50 mills; Stony Plain Hospital Dist. Requisition, 2.00 mills; Drayton Valley Hospital Dist. Requisition 1.00 mill; E.P. and P.L., 1.55 mills; Norwood Auxiliary Hospital, .12 mill; Health Unit, 1.00 mill; Meridian Foundation, .22 mill; General Municipal, 25.89 mills; Debenture (office), .77 mill; and Regional Recreation, 1.50 mills.

LODGEPOLE NEWS

The cash bingo that was held last Tuesday attracted a good crowd. Winner of the blackout jackpot was Mrs. Bateman. There will be more games after summer is over.

Congratulations to Mr. and Mrs. Joe Rondeau on the arrival of a son.

Welcome to Mr. and Mrs. John Jacobson who have moved their trailer home to town.

Sympathy is extended to Mr. and Mrs. R. Smith who attended the funeral of his father last week at Westlock.

Sympathy also to Mr. and Mrs. Attwood who attended the funeral of a nephew at Wetaskiwin.

ALBERTA POTTERS FORM ASSOCIATION

After many months of deliberation and planning, a determined group of potters formed The Alberta Potters' Association. On May 16th, at the University of Calgary, potters representing many centres throughout the province, gathered to evaluate the proposed constitution of The Alberta Potters' Association and to elect an executive.

The Alberta Potters' Association was organized to be a service to the enthusiastic recreational potter and the highly skilled professional potter. The A.-P.A.'s aims are to: foster and encourage the development of ceramics; promote a high standard of craftsmanship; encourage excellence of instruction and high educational standards; cooperate with all other organizations having similar aims; give assistance and direction when requested; become recognized by the Provincial Department of Education and to meet available accredited standards of education and hold at least every two years, an association juried exhibition and sale.

LETTERS TO THE EDITOR

Editor,
The Western Review

Dear Sir:

On May 30th a Drug Seminar was sponsored by the A.A.R.N. and C.N.A. Chapter of Drayton Valley which was open to the public.

The drug seminar concerning the non-medical use of drugs had several qualified speakers from the Department of Youth. Out of a population of approximately 4,000, only 65 persons attended.

The drug problem is one involving not only young people in large cities but in our own district as well. Younger children may also be subjected to the use of drugs as well as teenagers; therefore it would seem parents should take more interest in a program of this type to give them more understanding of the problem and ways that they can help eliminate it.

Each person attending signed a register at the door stating name and occupation. From this information it was discovered that out of the group in attendance, only two were school teachers. This is very discouraging as teachers are with the young people a great deal of the time and are in a position to influence them much more than any other professional people.

There were several very concerned teenagers participating in the group discussions, who brought forward many thought-provoking statements. These are not often heard in the home because of poor communication between the parents and their children.

If parents display the same sort of apathy towards other activities and problems concerning their children as they did with the drug seminar, I can understand why young people turn to drugs for support.

Sincerely,
Charlie Davies.

Where Will the Park Sellout End?

With assurances to the public that all possible safeguards will be taken, the Alberta Government has opened a tract of Cyprus Hills Provincial Park to the oil and gas industry. We believe it is a grave mistake and all the assurances in the world will mean very little after the park is cut up with roads and right-of-ways and the wilderness scenery adorned with the decorations of industry.

As a matter of current interest, we wonder what assurances were made before work started on oil recovery from the Athabasca tar sands. The oil slick travelling down the Athabasca River this week puts the Cyprus Hills deal in an even worse light.

Does money mean so much to Albertans that we are prepared to sacrifice on the altar of greed the parks that earlier far-sighted legislators created for the benefit of future generations? We believe not and Social Creditors might become believers after the next election.

At times in the past the same Alberta Government has indicated considerable interest in getting its hands on Wood Buffalo Park in northeastern Alberta. Dickerings with the Federal Government have failed in the past and we hope the senior government remains adamant. We can't see any reason to give over another wilderness area to the Provincial Government to cut up with roads, wells, mines and logging operations which has apparently motivated our legislators in their negotiations for the park.

Weather Again Plagues Rodeo Weekend

Following the disappointment of last weekend's rodeo washout, Drayton Valley Lions must be wondering just how they go about getting a break. An unfortunate choice of dates got them a monsoon weekend following about a month of excellent weather.

With one of the finest rodeo grounds in western Canada, excellent stock and a great following of fans, it is unfortunate that nature in a matter of minutes wiped out the work of several months. This is the prime risk of outdoor summer events and local Lions are not alone in suffering from the whims of nature. St. Albert tried for umpteen years and established a washout record before finally getting their rodeo off the ground.

What to do in the future must be uppermost in the minds of club members this week. The best solution we have heard to date involves a change in the date of the annual town civic holiday to a Friday so the club would have a day in reserve to make up in case one day is rained out.

It's true that a prolonged rain (like last weekend) would ruin even a three-day weekend, but the idea seems the best hope for rodeos of the future.

WABAMUN NEWS

The track meet was held in Wabamun last Friday, June 5th. This was for the Keephills, Duffield and Wabamun district. There was a good crowd out to enjoy the sports and to see how well the children performed.

There is quite a lot of measles around as several of the children have had them and others still have them.

Mrs. Norma Stinsman of Edmonton was a guest at the home of D.M. Roberts over the weekend.

Mark Kondruk received a bad cut on his leg the day of the track meet, which required several stitches and he spent the night in the hospital.

The Wabamun W.I. met at the summer cottage of Mrs. J. Labuda down at the lake shore on Wednesday, June 10th with eight members present. Mrs. E.H. Woollard presided in the chair.

Money was donated to the girls club which is just being organized for their weiner roast that they are going to have.

Plans were also made to cater for a wedding in August. After the other business was completed the roll call was answered by each giving a layette article. Lunch was served by Mrs. J. Labuda and the co-hostess Mrs. R.T. Ward. The lucky tea prize winner was Mrs. Frieda Woollard.

Mr. and Mrs. W. Kosik have the former's brother and sister-in-law and nephew Allen of Vancouver visiting with them at the present time.

10,907 DEMERIT POINTS AWARDED

The second report on the Demerit Point System which became effective in Alberta on April 1st this year has been issued by Hon. Gordon E. Taylor, Alberta Minister of Highways and Transport:

During the month of April there were 4,087 convictions totalling 10,907 demerit points and one person reached more than 8 demerit points and received a courtesy letter.

During the month of May, there were 11,424 convictions totalling 31,143 demerit points; 54 persons reached more than 8 demerit points and have been sent a courtesy notice urging them to mend their ways and to exert a greater effort to drive within the law in order to avoid a suspension.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending June 13, 1970 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	4850	4300	550	5200	10
Last week	5000	4267	733	3300	59
Same week (1969)	5333	4493	840	1982	183

SUMMARY

Receipts of cattle and calves slightly lower, hog receipts higher, and sheep and lambs continued to decrease. Offerings of cattle and calves consisted of approximately 60 per cent replacement classes. Trade was generally active throughout the week at fairly steady prices for slaughter steers and heifers. All grades of cows 50 higher. Bulls 50 to $1.00 higher. Veal and butcher calves about steady. Replacement prices unchanged.

SLAUGHTER CATTLE & CALVES

Increased offerings of slaughter steers and heifers met a good local demand early in the week with a few isolated sales to 30.80 for choice good condition handy weight steers. In closing trade choice steers were selling mostly from 30.25 to 30.50. A good supply of butcher heifers were slightly higher to mid-week with sales to 27.70 but closed barely steady topping 27.50 for choice kinds. Butcher cows opened on a firmer basis to 50 higher on all grades and sold generally steady throughout at a practical top of 22.75 with the odd sale to 23.00 for good dry fed cows. Bulls sold progressively 50 to $1 higher as the week advanced with the odd closing sale over 27.00. Veal and butcher calves unchanged, odd choice over quotations.

REPLACEMENT CATTLE & CALVES

Replacement classes were in short supply, particularly lighter weights and stock calves. Heavier fleshy short keep feeders were unchanged from last week's lower quotation. Stock calves steady with a few light weights in the 50 to 60 price range.

SHIPMENTS

Out of Province shipments last week from the Edmonton Stockyards were: East, 65 for slaughter. West to B.C., 210 for slaughter and ten feeders. Exports, 25. Feeders to Southern Alberta areas 820.

CLOSING QUOTATIONS
(1969 Quotations in Brackets)

SLAUGHTER CATTLE

Steers: Choice 30 to 30.50 (32 to 32.50), good 29 to 30, medium 27 to 28. Heifers: Choice 27 to 27.50 (29.50 to 30) good 26.50 to 27, medium 25.-50 to 26.50. Cows: Good 22 to 22.50, sales to 23 (21 to 22), medium 20 to 21.50. Canners and cutters 17.50 to 20. Shells 16 to 17. Good bulls 25.50 to 27 (23.50 to 25).

REPLACEMENT CATTLE & CALVES

Good feeder steers (750 lbs. & under) 33 to 37 (35 to 39), (750 lbs. & up) 29 to 32 (32 to 34.50), common to medium 26 to 31. Good feeder heifers 27 to 32 (29 to 33), common to medium 23 to 26. Stock cows 18 to 24.50. Good stock steer calves 37 to 45 (36 to 46), common to medium 32 to 36. Good stock heifer calves 34 to 38 (32 to 36), common to medium 30 to 33.

SLAUGHTER CALVES

Good to choice veal (350 lbs. & under) 48 to 53, (42 to 45). Good to choice butcher calves (350 to 450 lbs.) 35 to 45, (450 lbs. & up) 27 to 32.

HOGS

E.S.Y. butcher hogs sold at 29.80 and 30.05 base price Monday, Tuesday at 29.30, Wednesday 28.80 and Thursday 28.05. Sows 21.10 dressed weight. 1300 feeder hogs sold Tuesday and Thursday afternoon ranging from 33.00 per cwt. for 95 lb. feeders down to 22.50 per cwt. for 150 lb kinds. Weaners and light feeders sold by the head from 12.00 for weaners up to 25.75 for light feeders weighing 75 lbs. Good boars 15.00 per cwt. Boars under 300 lbs. discounted. 1969 butcher hogs 33.50 to 34.00 basic.

SHEEP & LAMBS

A few butcher lambs sold on a rail grade basis.

Here's a summer tip to parents. Never leave small children alone near water. It's so easy to slip and fall. Keep an eye on them at all times.

KEEPHILLS NEWS

A welcome rain began here on Tuesday afternoon and soon gave the ground a good drink.

Mel and Ila Edge; Bernice and Adrian Vanderweld went to Saskatchewan for a week. They hoped to get in some fishing after attending a wedding on Saturday of Mel's niece.

School children from Keephills of Grades one to five enjoyed a day at the Alberta Game Farm last week.

Reg Porter was glad to get home last week after spending ten months in Manitoba where he attended a boys school.

Mabel Bryant is a patient in the Drayton Valley Hospital.

Several of the Keephills school children brought ribbons back from the track meet at Wabamun on June 5th.

Mr. and Mrs. Frank Campbell and their daughter Sandra of Edmonton visited Roy and Ellen Raymond and family recently.

Charlie White was in Saskatoon recently for a sales training program with Smith Roles and is agent for them in this area.

The Tattersalls here joined other members of the family at Roy and Betty Tattersall's in Spruce Grove recently for a farewell supper and get-together. Roy and Betty are moving their mobile home to Fox Creek where Roy works.

WEED CONTROL IN UNDER-SEEDED CROPS WITH LEGUMES

Forage seed purchased under the Alberta Crop Adjustment Assistance Policy indicates that more acres are seeded down to forage than in previous years.

Many farmers are hesitant in using Chemicals for weed control in under-seeded cereal grains. Many weeds, which could be controlled are left to compete with the crop and forage seedlings for both moisture and plant nutrients. There are Chemicals available which may be used to control weeds in under-seeded crops, if applied at the right time and at proper rates.

More information as to the above can be obtained from your Agricultural Fieldman at the County Office.

How did those six Sioux get on our beer label? (Six? Count 'em. Six.) To say nothing of three crows. And a Hupmobile. And twenty-nine trees. And our House of Lethbridge. How? Frankly, we don't remember. It all happened many moons ago. But one thing's certain: we'll never change our label. Or the great beer behind it. In Lethbridge, we go right on brewing it the slow, natural way, for real flavour. We have spoken.

SUB-MITS
FROM THE ELEMENTARY SCHOOL

At school it will help your child to:

1. Have his name on: a. the inside of his rubbers; b. coat, cap and mittens; c. lunch box; d. his ruler and eraser or any part of equipment which is wholly his.

2. Have a cardboard box big enough to hold pencils, erasers, and crayons. (1 lb. chocolate boxes are very good). Metal boxes are too noisy and children often get painful cuts from them.

3. Pencils, erasers, rulers and crayons are not furnished by the school board. The teacher will give the children a list of requirements. Children usually use one good pencil a month and lose one eraser. Cut a new eraser in half and give the child one part at a time. Poor pencils break very easily, necessitating three or four a month.

4. Have a clean handkerchief each day (or Kleenex).

5. Be clean and tidy. The child is marked for this every day

6. Have his birth certificate the first day of enrollment so that his name and birthday may be correctly entered.

7. Have a thorough physical check-up: eyes, ears, throat, immunization.

8. Good health habits: a. plenty of rest (11 to 12 hours of sleep) b. regular morning elimination; c. a good balanced diet; d. frequent bathing and clean clothes.

9. Tell the teacher of any apparent tendencies - weak kidneys, poor hearing, epilepsy, etc.

10. Send a written excuse for each absence and each tardiness.

11. Show appreciation for any of your child's work that he takes home to show you.

12. Waken the child early enough for an unhurried breakfast. Be sure that he doesn't have to rush to get to school on time. It upsets a beginner if he is afraid of being late.

13. Any textbook taken home overnight should be taken care of. See that the child takes them back the next morning.

And our trackmeet is over for another year. A big thank you to all the parents who helped us. And a special thank you to the Lions for the use of their booth.

Sincerely,
Olga Brown.

COUNTY OF PARKLAND No. 31
STONY PLAIN, ALBERTA

NOTICE OF INTENTION TO CLOSE PORTIONS OF HIGHWAY AS HEREINAFTER DESCRIBED

PURSUANT to the authority of County Council and as provided in the Municipal Government Act, NOTICE IS HEREBY GIVEN of the intention of Council to pass a By-Law to close:

All that portion of highway in the County of Parkland No. 31 in the Province of Alberta of record in the Land Titles Office for the North Alberta Land Registration District described as follows:

All of the road designated as Hillgardner Avenue in Block B, Subdivision Plan 3589M.C. in the south east quarter of section Twelve (12) township Fifty Three (53) range Twenty Six (26) west of the Fourth Meridian.
Reserving Thereout all Mines and Minerals.

Plans showing the location of the said highway may be inspected and information obtained in the County of Parkland Office, during the regular office hours, Monday to Friday, inclusive until 5:00 o'clock Friday, 10th day of July A.D. 1970.

Any person who claims that his land will be injuriously affected by the passing of the said By-Law and petitions to be heard, is requested to file his claim with the Secretary-Treasurer, County of Parkland No. 31, Stony Plain, by not later than 5:00 o'clock p.m. on Friday, 10th day of July, 1970.

AND FURTHER TAKE NOTICE that at its meeting to be held in the Council Chambers, at 10:00 o'clock a.m. on Monday, 13th day of July, 1970 or so soon thereafter as the matter can be conveniently dealt with, the Council will afford an opportunity to be heard to any person by himself or his agent who claims that his land will be injuriously affected by the passing of the said By-Law, who has petitioned to be heard as aforesaid and who appears at the said meeting.

In case the meeting does not take place on the 13th day of July, 1970, then at the first meeting of Council to be held subsequently thereto, the Council will afford any person by himself or his agent who has petitioned to be heard as aforesaid an opportunity to be heard at the said subsequent meeting.

DATED at Stony Plain, Alberta, this 5th day of June, 1970.

O.W. Schuster,
Secretary-Treasurer.

EDGES OF THE FIGURE EIGHT

BLADES

These should be screwed on the the skate and not riveted so that it is possible to change their position if necessary. Should be checked for correct position ... they should be mounted on a line drawn from centre toe to centre heel. Should not be bent in any way, most often seen with tube skates. All blades are hollow ground and should be kept well sharpened and protected by guards when not on the ice. Further care should be taken to wipe blade dry when finished skating and boots kept polished and in good repair.

LACING

Skating boots should be laced firmly over the instep, can be secured with a knot at the ankle and continue lacing of the leg part comfortably. In a figure skating boot you should be able to slip one finger between leg and top of boot. If the leg part is laced too tightly leg cramps will result. Tuck in extra length of lace for safety.

THE WESTERN REVIEW

Drayton Valley, Alberta
June 17th, 1970

Get well wishes to Mrs. Ruth Berry who spent a few days in the Drayton Valley hospital.

A vote of thanks is due to each and everyone who worked so hard to finish the addition to the Lindale Hall to a point where it could be used for the picnic and dance on Farmer's Day. These people also did a clean up job on the grounds and wound up their effort by having a weiner roast on Wednesday evening. Many thanks fellows, your efforts are appreciated.

The annual banquet for the Leduc County school bus drivers and their guests was held at Calmar on Thursday, June 11th. A number of local people attended and enjoyed the evening's activities.

A Farmer's Day picnic and dance was held at the Lindale Hall on June 12th. The weather was nice and a good crowd attended to enjoy the races, ball games, pot luck supper and the dance that followed in the evening.

Get well wishes go out to Roger Martin, who has just returned home after having been in hospital for an appendicitis operation.

Mr. and Mrs. Edward Van Ember and family were Edmonton visitors on Sunday.

Mr. and Mrs. W. Joneson and son Milton, of Wainwright, spent the weekend in the district.

Quite a number of local folks took in the rodeo at Drayton Valley on Saturday. The weather man didn't co-operate very well and the afternoon proved to be rather chilly.

Y.E.S. Again Seeks Summer Youth Jobs

The job of the Youth Employment Service is to assist unemployed students in finding temporary, part time or even full time jobs. (Students wanting to register must register in the Rec. office at the town hall after grand opening. Y.E.S tries to find jobs for girls such as baby-sitting and jobs for boys such as lawn mowing.

During the month of August it is planned to hold a garbathon as well as a paintathon of which the proceeds will go to Y.E.S. to assist its program/

There will be a Grand Opening on July 2nd in the Civic Centre and coffee and doughnuts will be served.

If there are any questions do not hesitate to ask at the grand opening or else phone Mr. Gormley at 542-3440 or Pat Coppens at 542-4512.

Couple Honored at Recent Gathering in Magnolia Hall

The Magnolia Hall was the setting for a community social evening honoring Mr. and Mrs. Roy Strangway during the evening of Friday, June 5th. About 90 friends and relations came to pay their respects to our long-time residents. These folks gathered from Edmonton, Bon Accord, Entwistle, Fallis and Magnolia.

Mr. Oliver Siddons of Edmonton, well-known entertainer and former Magnolia store keeper, acted as m.c. and led the gathering in a sing-song while accompanying on his accordian.

The guests of honor and several relatives sat at the head table which was centered under an arch of violet and white streamers.

A dainty, yet bountiful lunch was served and enjoyed by all present.

After lunch, Mr. and Mrs. Strangway were presented with a Hereford bull figurine just so that they will never be lonesome for the cattle they used to raise. They were also presented with a huge mirror. The folks of Magnolia and surrounding area hope they will find a spot in their new home that is just begging to be adorned with the mirror. A gift from their relations was a lovely white lace tablecloth. Mr. and Mrs. Strangway each thanked everyone from the gifts and for their thoughtfulness.

The evening was concluded with more music and visiting with old friends and neighbors.

Mr. and Mrs. Strangway have lived in the Magnolia-Gainford area since autumn of 1927 when they were newly-weds. They raised and educated their three children, Dallas, Glenda and Dean from the farm which has been their home for the past 43 years.

While Mr. and Mrs. Strangway are building a new home in Victoria, they do not intend to become strangers in this, their home community.

MOON LAKE NEWS

Mrs. Elsie Scott and daughter Diane of Devonport, New Zealand, visited at the home of her sister, Mrs. Margaret Woloszyn this past week. It had been 25 years since these sisters last saw each other. Mrs. Scott will be visiting with her family in Tomahawk and surrounding district until the end of August before returning home.

Mr. and Mrs. Bill Cherrington left on holidays to B.C.

A number of friends and relatives held a surprise barbeque supper on Saturday, June 13th at the home of Rudolph Lang in honor of his birthday. An enjoyable evening was had by all.

People of the community are saddened with the news of the sudden passing of Mr. John Moroz, who was visiting in Poland. Sympathy is extended to the family.

Gus and Lil Myck of Edmonton celebrated their 24th wedding anniversary on June 5th with Margaret and Stan Woloszyn whose 20th anniversary was on June 10th. They celebrated with a barbeque supper. Gus is a brother of Margaret's.

Mr. and Mrs. Fred Cherrington motored to Rocky Mountain House on a camping, fishing trip over the long weekend.

Royal Purple Marks 14th Anniversary

The Drayton Valley O. O. R. P. recently celebrated the 14th anniversary of its charter in the Elk's Hall with a pot luck supper for members, Elk's and guests. Visitors included District Deputy Elaine Reid and Past District Deputy Brother Gordon Reid of Wildwood; Brother Tom Mitchell (Provincial Elk's Publicity Chairman) of Entwistle; and Incoming District Deputy G. E. R. Brother Bob Cowan.

The Drayton Valley Charter was issued on May 19th, 1956 with 35 members on the Roll. Three of the original ladies, Gladys McMorris, Hilda Rand, and Madge Wall, are presently members of our lodge. Another charter member, Mary Burrows, now on Demit, was also in attendance for the celebration.

Honored Royal Lady Bertha Simon acted as master of ceremonies for the occasion and read a history of the lodge. A toast to the charter members was ably replied to by Lady McMorris.

An enjoyable evening closed with the presentation of gifts to whist and cribbage winners.

DRAYTON VALLEY SWIMMING POOL OPERATIONAL POLICY

DISCIPLINE:

The operation of a swimming pool is a business and must be handled as such. This operation must be governed by a strict, firm, impartial, military type discipline tempered by politeness and courtesy. We are dealing with a very important product, that of human life, therefore nothing can be left to chance.

This discipline must be maintained at two levels:

(A) at the staff level
(B) at the patron level

Pertaining to staff discipline, it is extremely difficult if not impossible for undisciplined lifeguards or other staff members to enforce discipline on pool patrons. Proper discipline must start at the top and run all the way down through the pool operation. This discipline is the responsibility of all pool staff and especially the lifeguards. All pool personnel must be familiar with and abide by established rules and regulations governing their particular positions. Any member of the pool staff who fails to uphold the established discipline of the pool or who is objective or careless in the observance of rules and regulations shall be promptly dismissed from employment.

Some "Key Points" to staff discipline:

(a) Alcoholic beverages in any form are strictly prohibited for all personnel while on duty. Anyone breaking this rule shall be immediately dismissed without any chance for explanation or further appeal.

(b) No member of the pool staff and especially swimming instructors who are responsible for teaching children may take advantage of position or use their influence in any way to further their personal, religious, political, or social beliefs. Any employee continuing such practices after due warning shall be promptly dismissed.

(c) Constant concentration while on duty is vitally important. One unguarded moment could erase all the good work that the entire pool staff have ever done.

(d) Promptness is an important phase of discipline for pool staff. A guard must be at his or her assigned post five minutes before scheduled time in order to receive necessary instruction, acquire necessary equipment and be properly garbed ready to go on duty. Constant tardiness on the part of any personnel will not be tolerated.

In regard to the behavior of pool patrons, it is a case of leading by example rather than by force. The tactful approach is always the most desirable and the one most likely to produce satisfactory results. The rules and regulations of the pool must be duly promulgated. It must be made clear to the swimmer what conduct is and is not acceptable on the premises of the pool and rules and regulations must be strictly enforced. There must be no double standards in this enforcement. A firm, fair and impartial discipline must be maintained and everyone must be treated alike, regardless of race, color, creed, family background or social status.

Some "Key Points" in general pool discipline.

(a) Alcoholic beverages of any form are strictly prohibited on the pool premises and no intoxicated person shall be granted admission to the pool at any time. A written report covering such cases must be forwarded to the Pool Manager who will be responsible for whatever disciplinary measures are to be taken.

(b) Smoking is strictly prohibited in the pool area and in the bath-house by all pool patrons.

(c) Profane or obscene language will not be tolerated on the pool premises at any time.

(d) Vandalism will be dealt with very severely. All facilities on the premises of the pool are to be used with respect by everyone at all times. Those guilty of breakage, marking or general misuse of pool facilities are liable for the damage and shall be suspended from the use of the pool.

(e) The welfare of the pool patrons, especially the younger ones, should always be of prime concern to the staff. No person should remain in the water too long nor stand indefinitely under hot showers. Over exposure to the sun, inclememt weather and swimming during electric storms are other hazards against which patrons must be protected.

(f) Any person with open sores, who is taped or bandaged in any way or who has severe colds shall be refused admission to the pool. This duty is primarily the responsibility of the cashier, however, any lifeguard may dismiss any person whom he or she deems to be in unsatisfactory physical condition for swimming. In any case, this dismissal must be performed tactfully and politely, nevertheless positively and firmly.

(g) Bathing caps are not a requirement at this pool.

7. SUSPENSION

Any person failing to comply with the established rules and regulations of the pool shall be suspended from the use of the facility. This suspension can vary from the remainder of the day to an entire season, depending on the seriousness of the offence or on the personal or public damage caused. Suspensions up to and including a period of four days are left to the discretion of the lifeguard concerned. In this matter, the lifeguard will have the unquestioned support of the Pool Supervisor, the Pool Manager, the Recreation Board and the Town Council. It must be remembered, however, that the lifeguard imposing any type of suspension must do so with great discretion and impartiality, without motivation from any personal feelings in the matter. At all times the punishment must fit the crime. In the case of major offences or a continual repetition of minor offences that may require a suspension of morethan four days, the lifeguard must advise the offending patron that he has been temporarily expelled from the pool and must immediately report the incident to the Pool Manager who will advise the culprit in writting or verbally of the duration and nature of his suspension. On being suspended, the offending patron must proceed immediately to dress and leave the pool premises. In no case will a suspension be less than the remaining period of the day in which it was enacted and in no case will a suspension extend beyond the limits of the season in which it is imposed. A suspension is the only form of punishment authorized by pool authorities. This means that such ideas as a penalty box, a "black list", the "marching guard", or any other such penalties are not to be administered at this pool. A complete record of all suspensions must be kept by the cashier and be available for reference at all times. This record must outline the nature of each offence and the suspension imposed.

School Fastball Tourney at Breton

Breton High School's annual fastball tournament was held on June 6th. Fourteen enthusiastic teams participated in this increasingly popular tourney.

Competing in the boys' section were the following: Breton A, Pigeon Lake, Warburg, Thorsby, Breton B, Winfield and Drayton Valley. First place in this section fell as easy prey to the powerful Breton team. They defeated Winfield 7-3, Warburg 20 - 10, and Pigeon Lake 13 - 3. Winners of the second, third and fourth positions were Pigeon Lake, Winfield and Breton B, respectively.

Competing teams in the girls' section were as follows: Breton, Warburg, Pigeon Lake, Lakedell, Pipestone, Drayton Valley and Winfield. First place here was captured by Pigeon Lake, second, third and fourth positions fell to Warburg, Pipestone and Drayton Valley respectively. The final score of the girls' playoff was 26-4 for Pigeon Lake.

Also included in this annual event was a two and a half mile run. Randy Lehay of Warburg won the cup this year, with a time of 25 minutes and 50 seconds. Second was George Zawartka of Breton, last year's cup winner.

The Breton High School appreciates the umpiring received from the following people: Jack Barrett, Donald Martin, Art Stevensen, Larry Knight, George Reid and Gordon Tryon. Also thanks to the base umpires and all people that helped at this successful tournament.

Sundance Club Regular Meeting

The regular meeting of the Sundance 4-H Garden Club was held on June 8th in the Sundance Hall. Roll call was answered by "The First Thing Up In My Garden".

Matters on the agenda were: the sales of 4-H pens and raffle tickets, the wedding we are catering for and the trail ride. Mrs. Wiltse suggested we give a prize to the member who sells the most tickets. The club agreed and a motion was passed confirming this.

Regarding the trail ride, it was decided after discussion, to hold a special meeting on July 8th at 8 p.m. in the Sundance Hall to arrange the date, time and place. All members wishing to take part in this ride were asked to bring a signed note from their parents giving their consent.

Two interesting talks were then given. Mrs. Wiltse spoke on "How to Thin Your Plants", and Cindy Mychan spoke on "Canning and Freezing".

Mrs. Charlet, Club Leader, reminded all second year and senior members who had not yet handed in their garden plan to do so by next meeting. She mentioned too, that it would help the first year and Pee Wee members if all the 2nd and Senior members brought their Project Books along to the next meeting so that the new members could look through them, and anyone having difficulties with their book could get help from the junior leaders.

Mrs. Charlet kindly provided the lunch of Kool-aid and cookies at the close of the meeting.

RHUBARB'S READY! To many people rhubarb signifies a "sunshine" food as it almost brings the summer sun to the table in so many eye-catching, colorful ways - pies and tarts, sauces, puddings, jams and jellies, and punches. To me, rhubarb always recalls fond memories of my childhood days when I would raid the neighbor's rhubarb patch and enjoy the tartness of my newly borrowed purchase.

Although rhubarb cannot rightly be called a fruit, it is one of the most refreshing of vegetable plants. Rhubarb is with us most of the year; from the garden in the spring, from the hothouse in the winter.

Rhubarb is best when picked fresh. It is firm, bright and crisp. If purchasing rhubarb select young and tender stalks. Good red color is usually associated with good flavor. Hothouse grown rhubarb is bright pink with light green leaves; field grown rhubarb has dark red and green stalks and dark green leaves. The latter requires longer cooking.

Fresh rhubarb does not keep well. It turns brown if stored at room temperature and shrivels in the refrigerator, so plan to use it as soon as possible after removing from the garden. If you must keep it, cut off the leaves, wash and dry the stalks, wrap it in a plastic bag and refrigerate.

The time to freeze rhubarb is when it is spring fresh if you want to capture all of the tart juicy flavor. Spring rhubarb is also deep red in color and free of fibres.

The preferred method of freezing rhubarb is in a dry sugar pack, of two cups of sugar to four pounds (11 cups) of rhubarb. Rhubarb may also be frozen without sugar or packed in syrup.

The stalks are usually cut in 1" pieces for freezing. Blanching raw rhubarb for 1 minute and cooling quickly helps to retain color and flavor.

Store rhubarb at 0 degrees F. to retain maximum flavor. Cook it unthawed.

Rhubarb can be used in many ways. It can be stewed and served as a sauce or a very attractive dessert. Rhubarb may be served at breakfast with toast, at lunch with cookies or at dinner as a pie or cobbler.

For these hot Hawaiian-type days, here is a delicious recipe that is sure to please the family.

This is excellent served warm over strawberry or vanilla ice-cream, or cold over squares of sponge cake or hot muffins.

HAWAIIAN RHUBARB SAUCE

3 cups diced rhubarb
1 cup undrained crushed pineapple.
1/2 cup sugar
1/2 cup water
2 tbsp. cornstarch
2 tbsp. cold water
1/4 tsp. salt
juice of 1/2 lemon
2 tbsp. butter
few drops of red coloring.

Bring rhubarb, pineapple, sugar and the 1/2 cup of water to a slow boil. Mix cornstarch with 2 tbsp. cold water and add to first mixture. Simmer gently for 5 minutes, stirring most of the time.

Remove from heat, add salt, lemon juice, butter, coloring and stir well. Makes about 4 cups.

For additional recipes with rhubarb, "Rhubarb Recipes" are available to you free by contacting the South Edmonton office, 433-8060, 10426-81 Ave. or Stony Plain 777-2231, Municipal Bldg., by phone or mail.

A.C.W. Meets at Violet Grove

Nine members and one guest of All Saints A.C.W. travelled to the home of Mr. and Mrs. L. Stordalsvall at Violet Grove on Tuesday evening, June 9th. Mrs. Wilma Gordon, President, conducted the business meeting at which time final plans were made for catering to the Guide and Brownie banquet on June 11.

Everyone is invited to attend our Strawberry Dessert Party on June 19th at the Parish Hall from 4 p.m. to 8 p.m. The proceeds of which will be applied to the reduction of the loan fund.

A delicious lunch was served by the hostess Mrs. Margaret Stordalsvall.

At 10 p.m. a service of Compline was held with the prayers and devotions led by Mrs. Margaret Stordalsvall, who at one time was Deaconess in charge of All Saints Parish, Drayton Valley

The A.C.W. members would like to express their thanks to all Parishoners and friends for their help during the past months with their various projects and caterings. Meetings will resume again on September 8th in the Parish Hall.

Turn unused items to cash with a Want-ad.
